

GREATER ONEIDA
CHAMBER OF COMMERCE

AFTER HOURS

We are stronger together while we social distance. We have placed Business After Hours on hold at this time. Although we are unable to gather physically we are still connected and are here for our members. During this time we are encouraging members to forward photos, clips or emails to us. Share how to reach your business or what your new work environment is. We will post the images and updates on our Facebook page and newsletter. Selfies are always welcomed too. Be positive and stay safe.
